What do Laser Operators need to do to get an EYE EXAM?

Individuals needing a laser eye exam will need to complete the laser operator questionnaire on My UHS.

When you have completed the form, you will then be contacted by UHS to schedule an appointment.

The instructions are as follows:

- If you are new or have never had a medical clearance to work with laser go to [http://www.uhs.wisc.edu/](http://www.uhs.wisc.edu/) and log into your My UHS account.
- Select messages tab and create a new message. Select the option for completing a questionnaire for the Occupational Medicine Clinic.
- Complete the OM Laser Operator Questionnaire and click submit.
- The Occupational Medicine team will review and contact you for an appointment.
